APPLICATION FOR WATER HOOK UP

Name(s) of Property Owner: _____

Eidelweiss Street Address: _____

Tax Map and Lot Number: _____

Phone Number: _____

Mailing Address: _____

Email Address: _____

Contractor (Name, Address, Phone): _____

I/We wish to apply for a water hook-up. I/We have read and understand the Water Ordinance and regulations that are in effect for hooking up to the water system in Eidelweiss, including the requirement for inspection of the water line and all connections, and the installation and testing of a backflow preventer. I/We understand that the failure to comply with the regulations will be sufficient cause to withhold making of the connection or discontinuing water supply.

I/We also understand that connections to the water system are not made between November 1 and May 1 of any year and that any application must be submitted by October 1 if the connection is to be made in that year.

Payment of \$10,000 is enclosed. All checks will be deposited within 10 days of receipt.

NOTES:

1. Include a certified D size plot plan and a copy of the State approved septic design.
2. The location of the service line shall be approved by the water system operator prior to installation.
3. Service line then must be inspected prior to backfilling.
